Re: Jennifer Fiala Letter of Recommendation

To whom it may concern,

It is my genuine pleasure and honor for me to write a letter of recommendation for Jennifer Fiala. I have known Jennifer Fiala for many years, both as a friend and as a collaborator on a number of professional projects. Throughout my time of knowing Jennifer Fiala, she has proven to have strong academic capabilities, is an active member of the community, and is very driven and motivated.

Jennifer Fiala is deeply involved and engaged within the local community. She has told me in depth about her goals for starting a nonprofit business to help elderly and disabled members in Cowlitz County. Jennifer Fiala regularly volunteers in her free time for a number of programs, including the Youth Soccer Committees for both Kelso and Cowlitz County. We collaborated together for the 2023 Summer Three Rivers Youth Soccer Camp, where in my role as web developer, she clearly communicated business requirements and helped to manage the overall project.

Jennifer Fiala successfully balances her community engagement with full time academics. Throughout her time as a student, she has repeatedly earned a place on the President's List. I have tutored her in several courses, where she demonstrated that she is an engaged and eager student. She regularly puts in over 100% effort and has a history of always going beyond the minimum requirements to truly understand and gain the most from the material.

Jennifer's educational and professional experiences have prepared her well and I believe her to be an asset to any team. If you would like additional information, please don't hesitate to contact me.

Yours Sincerely,

*Aaliyah Hänni*
